Emergency School Closure: Creative Learning observes all Emergency School Closures issued for Brevard Public Schools. If the City of Cocoa’s Public Schools are closed, so are we. In the event of a major natural disaster where schools in the area are re-opened based on per-site criteria, we will contact all families to inform them of when we will be reopening.

Emergency Days: Make-up days due to Emergency School Closure will be used in the following order – October 16th, February 15th, November 13th, January 4th
